

EOL Announcement

End Of Life Notification for PowerDsine's Power over Ethernet PD-PS-402/RA-NRTL Dongle.

March 22th, 2005

PowerDsine is announcing that it will discontinue the manufacturing of its PD-PS-402/RA-NRTL, passive dongle. Last time orders for this product will be accepted up until **June 31, 2005**, with the last date of shipment being **September 30, 2005**.

Reasons for Discontinuation

The product was designed to support pre standard terminals that could not be powered by IEEE802.3af compliant PSE such as a Midspan or PoE switch.

Today terminals are IEEE802.3af compliant and there is no need for the Dongle.

The notice does not affect other PowerDsine Splitters/Dongles products.

If you have any questions please contact PowerDsine Customer care: at 631-756-4680 in the US, or at +972-7755123 for Israel and Europe or visit our website at: www.powerdsine.com

Order terms for EOL products - please note that last time orders for EOL products are NC/NR

Best Regards,
Sani Ronen
Senior Product Manager
